#### Comsewogue Public Library Service Animal Policy

Service animals are permitted at the Comsewogue Public Library in compliance with the Americans with Disabilities Act (ADA).

Service animals are defined by the ADA as working animals (not pets) that are individually trained to do work or perform tasks/duties for people with disabilities. The work/task/duties a service animal has been trained to provide must be directly related to the person's disability.

The animal must be under the handler's control at all times.

The animal must be harnessed, leashed (max. 6 ft. long), or tethered unless their device(s) interferes with the animal's work or the person's disability prevents using the device(s). In cases of device or leash-length interference, the handler must maintain control of the animal through voice, signal, or other effective controls.

The animal must stay in public areas, be housebroken and limit relief to outdoor areas. The animal handler is responsible for prompt removal and disposal of waste.

The animal is not to sit on furniture, indoors or out, as all seating is reserved for the public.

The animal must not demonstrate disruptive, agitated, or aggressive behavior, including but not limited to barking, whining, biting, growling, jumping, scratching, leash pulling, sniffing, or any harassment of Library staff or the public.

The animal must not harass, injure damage, sever, mutilate, or kill any animal or vegetation of any kind.

Library Staff will request the handler correct the animal's behavior if a service animal is not compliant with Library policy. If the handler does not take effective action and control the animal, Library staff will request that the animal be removed from Library grounds. In such a case, the handler will be able to continue the visit, or to visit on another occasion without the animal.

The Library will investigate and respond to all reports of violations of its social media policy and other related policies. Violation of this policy may result in disciplinary action up to and including termination. The Library reserves the right to take legal action if deemed necessary to protect the interests of the Library, its employees, patrons, or any other affiliated individual or entity.

#### Comsewogue Public Library Security Camera Policy

A sign at the main entrance indicates that video surveillance is in use on Library premises, as cameras are installed in locations where individuals lack a reasonable expectation of privacy. Additional signs throughout the Library indicate cameras are in use.

Confidentiality/privacy issues prohibit the general public from viewing security camera footage surveillance recordings, which are secured online and in a controlled area of the Library. Members of the general public may be advised to file a police report.

Only the Library Director or her designee may review surveillance recordings. In their absence, Security Staff and the Network Administrator may review recordings, as appropriate, and must promptly notify the Director of any such activity and the reasons therefore.

Law enforcement may be supplied with live shots/recordings in accordance with applicable state and federal laws and pursuant to the receipt of a proper legal request. This requirement may be waived by the Library Director.

Images may be shared, as appropriate in order to maintain safety, with the Suffolk Cooperative Library System and its member libraries.

A breach of this policy may result in disciplinary action up to and including dismissal. A Library employee who knows of an unauthorized disclosure/privacy breach must immediately inform the Director.
