2. Mix in the beef into the sauce in a bowl large enough to hold everything.
3. Use your hands and massage all the ingredients into the beef.
4. Let the beef bulgogi marinate for at least 30 minutes or up to 24 hours in the fridge.
5. Heat up a frying pan or a grill that the beef won't fall through, and once you add the meat, you can add the optional vegetables.
