

Getting Started with Bluebird

bluebird

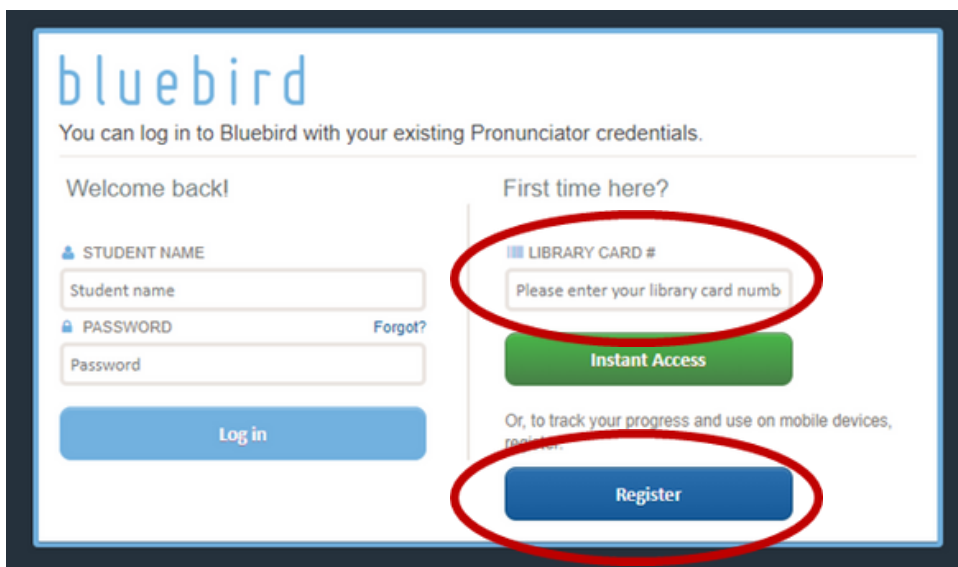

by Pronunciator

SET UP A PROFILE

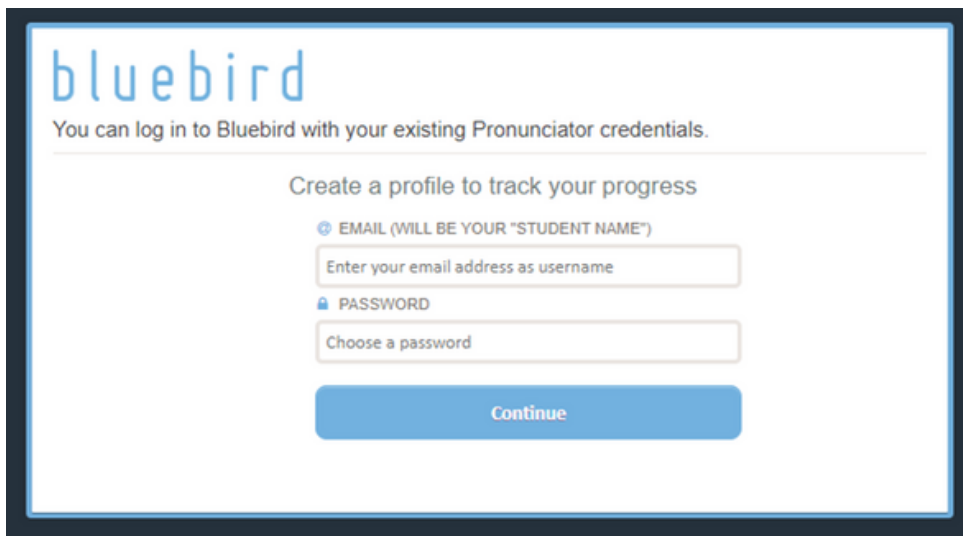

1. Visit www.livebrary.com/bluebird to begin setting up your personal profile.
2. Tap or click "Bluebird."

3. Enter your library card number on the right-hand side under "First time here?"
4. Tap or click the "Register" button.

**NOTE: If you have a profile set up with Pronunciator, you will use that information to sign in under "Welcome Back" on the left-hand side.*

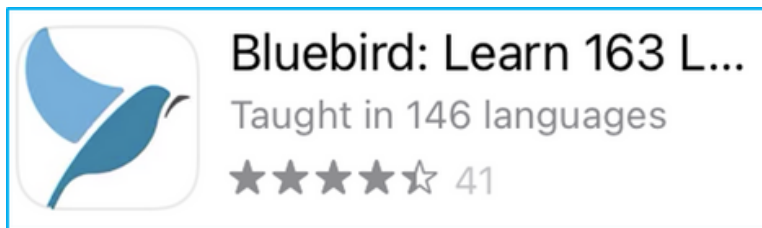

5. Enter your email address and choose a password.

6. Tap or click "Continue" to complete your profile. Now you are ready to choose a language to begin learning!

DOWNLOADING THE APP

BEFORE downloading the app, you must follow the steps above to set up your personal profile on a browser.

- Go to your device's app store and find the "Bluebird" app.
- There are several apps named "Bluebird." Select the one with the logo shown below (it will say "Learn 163 Languages" in the title).

- Log into Bluebird using the same email address and password you entered in Step 5 above.
- Select the language you would like learn!
