

Book Title: *The Summer I Turned Pretty*

Author: Jenny Han

4 out of 5 stars

Review by: Alyssa L. Grade 7

Belly Conklin's summers have always been spent at Cousins Beach, a place where everything good, everything magical happens. But this year is different. This is the summer Belly turns pretty, the summer she finds herself caught in a love triangle with the two boys she's loved her whole life—the charismatic Conrad and the kindhearted Jeremiah. Lovers of teen romances and coming of age stories will love this read!
